NEXT = word "Effective"

## Reviewer comments:

## Audio:

The last word of today. The boy and the girl is competing with each other, in one hour, the girl makes 5 flowers. And the boy makes 1 flower in 1 hour. So in the same period of time, who is faster? The girl right? Or I can say that the girl is more effective.

Let's learn vocabulary!

# Effective (adj)

/ɪ 'fektɪv/

Successful or receiving the good results.

*E.g. She's a very effective teacher.*
